

Customer Automated Funds Transfer (CAFT)

An excellent option for businesses to process transactions electronically

CUPS Payment
Services™

conexus
Credit Union

Make automatic funds transfer easily and securely. CAFT's web-based solution will let you manage and collect payment of funds efficiently and safely. Also, CAFT is compatible with most accounting software and provides the option to enter data manually online.

Initiate direct deposits

- > Payroll
- > Accounts Payable Items
- > and more

Collect payments

- > Loans / Mortgages
- > Accounts Receivable
- > Strata / Condo Fees
- > Donations / Pledges
- > Utility Bills
- > Business / Property Taxes
- > Club Fees / Dues
- > and more

Choose options to fit your needs

CAFT offers important features including online help, audit trail and email notification as well as the following:

- > Reporting
- > Flexible user permissions
- > Transaction & file limits
- > Multiple payment frequency
- > Automatic due date advancement
- > History file viewing
- > Flexible search criteria
- > Training and support are available
